FROM THE PRESIDENT

2022 ROYAL ADELAIDE WINE SHOW

WELCOME TO THE 2022 ROYAL ADELAIDE WINE SHOW

Though entries were slightly down this year, the Royal Adelaide Wine Show has attracted a stellar field of entries from across Australia. Judges have spent the past week assessing 2,560 wines from 350 exhibitors, interestingly the same amount of exhibitors as last year.

In 2021, only two capital city wine shows, Perth and Adelaide, went ahead due to Covid, however it is pleasing to see the wine show circuit returning to normal as much as possible in 2022.

The Wine Show awarded 25 trophies including; the Max Schubert Trophy for Most Outstanding Red, Most Outstanding White Wine in Show, and the Gramp, Hardy, Hill Smith Prize for Outstanding Wine of Provenance.

The 2022 competition in its 145th year continues to position The Max Schubert Trophy as Australia's most prestigious red wine award. Honouring the father of Australian table wine and the creator of Penfold's Grange, it's become the most coveted trophy among Australian winemakers in recent years.

The National School Wine Competition, established in 2013, continues to grow and the calibre of wines submitted this year was pleasing.

This year we welcome a new Chair of Judges for the next three years, Peter James Charteris (PJ), originally from New Zealand but now calling the Hunter Valley home. PJ was meant to commence his term in 2021 but, due to Covid, Kym Milne stepped in as interim Chair of Judges as PJ couldn't make it to Adelaide.

The high calibre of wine entries, wine judges, panel chairs, stewards, supervisors and many volunteers make the Wine Show the success it is. I would also like to acknowledge and thank the Society's Wine Committee, Society staff and the Oenology students from the University of Adelaide for their ongoing valuable contribution to the Wine Show.

The 2022 Catalogue of Results profiles the judges involved in the Wine Show and lists the competition results including medal and trophy winning wines. The Catalogue is a great resource and a valuable guide for wine consumers.

Thank you to all competition entrants and congratulations to the 2022 award winners.

Her name is synonymous with Viognier in Australia; in 2014 The Age named Lou Australia's Best Winemaker, in 2008 she received the coveted Gourmet Traveller WINE Winemaker of the Year award and in 2004 the International Wine & Spirit Competition named her the winner of the Women in Wine award.

PJ CHARTERIS

Kiwi-born, PJ Charteris moved to Australia in 1988 to study winemaking at Roseworthy. Following his degree, his winemaking career started at Brokenwood Wines in Hunter Valley, which he now calls home. After 12 years at Brokenwood, PJ and his partner Christina started their own label, Charteris Wines, where they embrace wines from his beloved Central Otago and his adoptive home in the Hunter Valley. PJ was drawn back to his motherland, with visions of great Riesling, Chardonnay and Pinot Noir grown in Central Otago, offering him an outlet to satiate that thirst for home. Years later, PJ was prompted to add to that yin the Aussie yang, with Semillon, Chardonnay and Shiraz grapes painting the other half of the picture.

FROM THE CHAIR OF JUDGES

2022 ROYAL ADELAIDE WINE SHOW

THE 2022 ROYAL ADELAIDE WINE SHOW WAS NOT ONLY AN HONOUR TO PRESIDE OVER BUT MARKS A SIGNIFICANT MOMENT IN MY WINE SHOW JUDGING CAREER.

This is where wine shows began for me as an associate judge in 1994. To lead an exceptional team of judges and associate judges 28 years later has been a very special point in time, something I will hold close for many years to come. One observation that is clear this year is that the quality of associates now is not only better, but they are an integral part of the judging team, as opposed to the “seen and not heard” status of the 90’s.

On the back of some challenging years with Covid-19 and border closures, the Royal Adelaide Wine Show Committee, as well as the administrative team at the Royal Agricultural & Horticultural Society of South Australia are to be commended for their commitment and dedication to an exceptionally run Wine Show. On top of this, the stewards and other staff only added to the overall quality of the Show.

The traditional notion of “Improving the Breed” is something that the wine show system has wrestled with for some years now but in a world where trends and fashion come and go, this transparent and auditable system of assessing wine offers producers very strong peer review and consumers, possibly the ultimate buying guide.

This brings me to the results of the 2022 Show. The judges worked their way through 2588 exhibits spread over 70 plus classes for a total of 1273 medals, of which 129 or 5% were Gold. The clear trend in the

results of this was the medal spread across the vast and varied wine regions of Australia. The diversity Australia offers in terms of climate, geography and geology was clearly on display with some varieties showcasing their ability to adapt to their surroundings while ours show a distinct affinity for a particular region. Shiraz and Chardonnay continue to deliver a vast array of stylistic expression from a broad spectrum of terroirs. Riesling and Semillon on the other hand showed the suitedness to specific and defined terroirs.

Over the top of this, there is the spectre of climate change that looms large not only for our grape growers and winemakers, but Australia’s agriculturalist as a whole. The good news here from the results is the sheer strength and quality of other Mediterranean varieties, both red and white showing their ability to deal with hot and dry conditions. It also should come as no surprise that Grenache and its close friend have performed exceptionally well. These varieties give us a clear view of how the future for our vignerons will look, the quality from these classes is something that all red wine consumers should be focused on.

Australian Sparkling also continues its march forward in quality and the best wines offered a depth of flavour and style that only comes with serious investment in production techniques, these wines need to be celebrated more.

Finally, but by no means the least, are the fortified classes. The entries in these classes are slowly subsiding in quantity but not in quality. The top wines here show a distinction and expansiveness that is seen nowhere else on the planet. We need to cherish these wines and find more reasons to enjoy them as a nation.

In summary, a very good Show with strong result and I would encourage producers and consumers to use these results for careful investment into the future whether it be making or enjoyment these wines.

2022 TROPHIES

ROYAL ADELAIDE WINE SHOW

MANY ROYAL ADELAIDE WINE SHOW TROPHIES ARE NOW NAMED AFTER INDIVIDUALS WHO HAVE MADE A SIGNIFICANT CONTRIBUTION TO THE SOUTH AUSTRALIAN AND/OR AUSTRALIAN WINE INDUSTRY.

GRAMP, HARDY, HILL SMITH PRIZE FOR NATIONAL WINE OF PROVENANCE

Awarded for the first time at the 2009 Royal Adelaide Wine Show, this trophy perpetuates the memory of three prominent South Australian winemakers, Thomas Mayfield Hardy of Hardy Wines, Sidney Hill Smith of the Yalumba Wine Company and Louis Hugo Gramp of Orlando Wines, who were killed in an aircraft accident in Victoria in 1938. In addition to Hardy, Hill Smith and Gramp, several other passengers were also part of a South Australian agricultural delegation. Hugo Gramp and Tom Hardy were members of the Society's Wine Committee at the time of the tragedy – Gramp (1927-1938) and Hardy (1926-1938).

MAX SCHUBERT AM TROPHY FOR MOST OUTSTANDING RED WINE IN SHOW

First awarded for Best Consumer Table Wine in Show at the Royal Adelaide Wine Show in 1997, the Max Schubert Trophy honours Max Schubert, Penfold Wines Chief Winemaker (1948 – 1975) whose philosophy of persistence and innovation pioneered new techniques in table wine production. Following a study tour in 1950, he created the now famous Grange. Schubert was determined to make an Australian red wine which would rival the French in excellence and longevity but with a truly Australian character. Early vintages of Penfold's Grange began winning awards in the early 1960's and since then Penfold's Grange has won countless awards and is recognised worldwide as a South Australian icon.

GEORGE FAIRBROTHER MEMORIAL TROPHY FOR MOST OUTSTANDING WHITE WINE IN SHOW

George was educated at Roseworthy Agricultural College from 1919-1921. From Roseworthy he went to Walter Reynell & Sons Ltd before moving to NSW to work as a wine and spirit merchant. On his return to SA he was employed by Robert Bryce & Co Pty Ltd, Adelaide where he remained for the next twenty-four years. George Fairbrother's wine judging started in 1946 at the Adelaide Wine Show. In the following thirty-one years he judged all over Australia, was widely regarded as a doyen of Australian wine judges and at the time was believed to have been the only person who had acted as Chairman at every major Wine Show.

George Fairbrother's palate was legendary and he proved himself over many years as a fine wine judge and one of few that were capable of assessing the qualities of brandy. He was generous in sharing his knowledge and in giving friendly guidance to others in the industry. On retiring from Robert Bryce & Co he remained in the industry as a wine broker and cork merchant. He retired from judging in 1977, and died in April 1991.

THE GOVERNOR'S TROPHY FOR BEST SOUTH AUSTRALIAN WHITE WINE IN SHOW AND BEST SOUTH AUSTRALIAN RED WINE IN SHOW

Introduced in 2019, The Governor's Trophies for Best South Australian White Wine in Show and Best South Australian Red Wine in Show recognise the excellence of South Australia's wine makers and the importance of the South Australian wine industry to the history and economy of the State.

The winning wines will be served at Government House to international, interstate and local visitors in the following 12 months.

THE HURTLER AND NORMAN
WALKER TROPHY FOR BEST
SPARKLING WINE IN SHOW

Hurtler Frank Walker (1890-1975) was born at Magill, Adelaide. His lifetime association with the South Australian wine industry began at the age of 10 when he obtained exemption from Magill Public School to pick grapes. At 14, Walker left school to take a job with Auldana Winery. It was here that he mastered the fundamentals of making champagne under the direction of Leon Edmund Mazure and was placed in charge of the sparkling-wine cellars at age 21. Following World War One, he returned to Australia in 1919 and established Romalo Cellars with Mazure. In 1926 he was appointed manager of the company, a position he held until his retirement. During the 1920's, Wynns purchased Romalo Champagne Cellars and the name continued until the 1970's when it became known as Seaview Champagne Cellars. Hurtler's record of achievement in both the technical and business sides of winemaking was passed to his son Norman. Both men devoted their professional lives to the making of champagne using time-honoured traditional french methods. Under the Romalo label, Hurtler Walker carried on the méthode champenoise as did his son Norman later under the Seaview label. Today, Norman's son Nick Walker continues the sparkling tradition established by his grandfather in partnership with David O'Leary under the name O'Leary Walker.

PROFESSOR AJ PERKINS
TROPHY FOR BEST
CABERNET SAUVIGNON
IN SHOW

First awarded at the Royal Adelaide Wine Show in 1959 for the Most Outstanding Dry White Wine, this trophy perpetuates the memory of the late Professor AJ Perkins, Agricultural Scientist and Viticulturist. Prof. Perkins was SA's first Viticultural Expert, a Principal of Roseworthy Agricultural College (1904-1914) and subsequently Director of Agriculture, South Australia (1914-1936). The Professor AJ Perkins Trophy is the Royal Adelaide Wine Show's oldest named trophy.

TROPHY FOR BEST OTHER
VARIETAL RED IN SHOW

Karl Seppelt, a third generation member of the Seppelt family was born in 1930 and educated at St Ignatius College in Sydney and Roseworthy Agricultural College. Karl Seppelt became Chief Viticulturist with B Seppelt & Sons Ltd in 1954 -1972, General Manager from 1972 -1979 and Managing Director from 1979 - 1985. Following the take-over of Seppelt's by South Australian Brewing Holdings Ltd, Karl and his family established their own winery at Mt Pleasant. Karl was instrumental in advancing the Australian wine industry beyond a mainly fortified wine producer, and was instrumental in pursuing regions suitable for premium table wine production. This led to the rise of Riesling in the 1970's and the establishment of Chardonnay in the 1980's and 1990's. Karl joined the Royal Agricultural & Horticultural Society of SA's Wine Committee in 1973, he served as Vice Chairman from 1975-1982, was Chairman from 1983-2001 and the committee's representative on the Executive Council of the RA&HS from 1986-2000. Karl retired in November 2004 and was subsequently made an Honorary Councillor. Karl Seppelt was awarded the Order of Australia in January 2006.

DR RAY BECKWITH OAM
MEMORIAL TROPHY FOR
BEST TRADITIONAL
AUSTRALIAN
RED BLEND IN SHOW

Born in 1912 in Cowell, South Australia, Arthur Ray Beckwith (Ray) was responsible for some of the most fundamental innovations to Australia's wine making industry. He is believed to be the first person in Australia, if not the world, to discover the role of acidity levels in wine spoilage and to implement the use of pH metering - using precision instruments. He also was the first to use atomic absorption spectrophotometry for quality assurance in winemaking (circa 1962) and discovered that the addition of cultures of specific yeasts to the wine production process greatly improved wine quality. These practices are now standards in the Australian wine making industry. Beckwith spent most of his professional life working for Penfolds Wines in South Australia (1935 - 1973) and was responsible for much of the company's success. He was also heavily involved in the Australian Wine Research Institute and other important wine committees and organisations. In July 2006 Ray Beckwith received Australia's top wine award, the McWilliam's Wines Maurice O'Shea Award, for recognition of his outstanding contribution to Australia's wine industry.

JOHN FORNACHON
MEMORIAL TROPHY FOR
BEST APERA, TOPAQUE OR
MUSCAT IN SHOW

The John Fornachon Memorial Trophy was originally offered for the Best Dry Sherry in the Royal Adelaide Wine Show from 1973 to 1998. This was to honour the work of John Charles Macleod Fornachon (1905 – 1968), wine microbiologist, who in addition to his important research into diseases, spoilage of wines and fermentation was a prolific publisher, lecturer and wine show judge. John Fornachon was a judge at the Royal Adelaide Wine Show for two decades from 1948 and was Principal Judge 1948 – 1965. He served on the RA&HS wine committee from February 1967 until his death in August 1968.

GRAMP, HARDY, HILL SMITH PRIZE FOR NATIONAL WINE OF PROVENANCE

Introduced in 2009 to recognise wines that reflect their region, lineage and longevity, the prize is named in honour of three iconic Australian wine industry pioneers – Hugo Gramp, Tom Hardy and Sidney Hill Smith – who perished in October, 1938, in an aircraft accident. The trio were travelling to Canberra for a wine industry conference, when their plane (the

Kyeema) crashed into Mount Dandenong, killing all 18 passengers and crew.

The Provenance Prize was judged by 3 of the best; Louisa Rose, Tony Love and Tamara Grischy. The wines needed to demonstrate superior quality as a group, as well as consistency of style and expression.

CLASS 7 / RIESLING, 2020 VINTAGE AND OLDER

JUDGES COMMENTS - Several of these wines were just starting to enter their awkward phase, being no longer fresh and vibrant not showing interesting bottle-aged notes. The best maintained a tight acidic linearity and purity of dense fruit expression, indicating potential for a long life. Others were quite forward for their young age.

CLASS 12 / SAUVIGNON BLANC, 2021 VINTAGE AND OLDER

JUDGES COMMENTS - A solid class of Sauvignon Blanc showing good intensity and vibrancy of fruit. Just lacking a degree of perfume and lift to award a higher percentage of wines higher scores. A small minority showed premature development.

CLASS 14 / PINOT GRIS OR PINOT GRIGIO, 2021 VINTAGE OR OLDER

JUDGES COMMENTS - Most wines were nearing their end of life, dominated by hollow mid-palates and coarse phenolic finishes. The Gris style dominated the number of entries. These wines generally lacked the cool succulent fruit required for higher accolades.

CLASS 17 / GRUNER VELTLINER, ANY VINTAGE

JUDGES COMMENTS - The best wines showed purity of fruit, a palate that combined fruit weight with fresh and vibrant acidity and good layers of flavour. Some wines displayed an overripe fruit profile which detracted from their vibrancy and appeal. Use of residual sugar needs to be kept in check otherwise varietal definition is lost. Picking time needs to be paid special attention to produce vibrant and energetic wines.

CLASS 22 / SWEET WHITE ANY VINTAGE OR STYLE NOT INCLUDING WINES COVERED BY CLASS 22 OR CLASS 63

JUDGES COMMENTS - As always, a strong class of wines. The best showed intensity of fruit with balanced winemaking artefact to draw out additional complexity and length of flavour. Some great examples of both lean and pure styles and more intense styles showing quality oak use and lees work. Some wines showed early development or winemaking influence that didn't balance with the weight of fruit on the palate.

CLASS 25 / CABERNET SAUVIGNON, 2021 VINTAGE AND YOUNGER

JUDGES COMMENTS - Top wines showed ripeness and completion. Well managed fruit with good oak handling. Some were partial wines needing more attention to ripeness and tannin structure. Best examples showed good ripe fruit and weren't hampered by greenness or any artefact. Ripe tannins were rewarded.

JUDGES COMMENTS - Varietal character is key with Cabernet and the best wines exemplified this in spades. Deft use of tight grained oak to support the fruit density resulted in a marriage of fruit and oak harmony in the best examples. Some wines lacked vibrancy and energy for their age and time in oak needs to be monitored to make sure that freshness and varietal character isn't lost.

CLASS 30 / SHIRAZ, 2021 VINTAGE AND YOUNGER

JUDGES COMMENTS - Very solid class of wines, quality of the vintage highlighted in depth of flavour, concentration, and vibrancy. An absolute joy to judge – some cooler climate wines showing ripe restrained elegance and the warmer climate wines showing a balanced intensity. Oak is being carefully dealt out and the balance was impressive.

CLASS 31 / SHIRAZ, 2020 VINTAGE

JUDGES COMMENTS - Some good fresh styles and a few lighter bodied wines geared towards early drinking. The cooler vintage has produced some fresh juicy wines that are just beginning to open up. Lovely difference in style for what was a challenging year in some regions, pure fruit expression shown in the best wines.

CLASS 34 / SHIRAZ, 2017 VINTAGE AND OLDER

JUDGES COMMENTS - A couple of treats that show how important ripe tannins are to retain freshness and balance and these were rewarded, some of the wines have fallen over with bottle age. Many tired wines, lacking a core of fruit to keep them lively.

JUDGES COMMENTS - These wines were a joy to judge. Although some showed quite evolved colours for such young wines. Many showed a vibrancy of ripe fresh berry fruit coupled with integrated oak. The best had a cleansing savoury texture that indicates the progress being made with this variety in Australia.

CLASS 54 / BLENDS, SHIRAZ, GRENACHE AND/OR MATARO, ANY VINTAGE WITH SHIRAZ AS THE DOMINANT VARIETY

JUDGES COMMENTS - A class of big-structured wines, however, the balance of alcohol and acidity was frequently elusive. The best wines showed a brightness of sweet Grenache fruit aroma and flavour which carried their big phenolic structure.

IS IT TIME TO LET THE REST OF THE WORLD DRINK YOUR WINE ?

Australian Wine Showcase Magazine was first published in 2009 to create a quality, insightful publication for the Australian wine industry in its search for a platform for exclusive content on Australian wine, varieties and industry wine consumption. Since its inception we have been showcasing the best in Australian wines, supporting Australian and International events as a media partner or sponsor.

Our passion and DNA in this space is driven by the endless possibilities of great wine and the journey we travel to find and bring you some of the best.

The future is promising and with some effort there will always be a great opportunity for Australian Wine Producers to expand their global distribution into the various markets across the globe.

Wine Showcase has partnered with some great people and organisations in existing and new markets. We will be hosting a number of exciting trade events overseas as well as here in Australia. Why not join us, physically or virtually?
