## From the President **Andrew Hardy**

As a cornerstone of the Royal Agricultural and Horticultural Society's mission to champion excellence in primary production, the Royal Adelaide Wine Show has been a showcase for the very best of Australian wine for more than 145 years. This year, as we mark our 148th show, we proudly continue this tradition, celebrating the artistry, passion, and resilience that define our nation's wine community.

This year's show takes place as our industry navigates a period of significant adjustment. It is in this climate that the value of awards that recognise and promote excellence has never been more important. The strong support from the industry has been humbling, with 2,084 entries from 310 exhibitors participating this year. To every wine lover, I encourage you to explore the results of this year's competition. This catalogue is your guide to excellence, a curated selection of the finest Australian wines.

As we saw with our 2024 winners, an award at the Royal Adelaide Wine Show acts as a powerful catalyst for further success. The winner of the prestigious Max Schubert Trophy, the Devil's Lair Cabernet Sauvignon 2022, and the winner of the coveted Gramp, Hardy, Hill Smith Prize for Provenance, the Tyrrells Vineyards Stevens Semillon, have been celebrated as benchmarks of Australian winemaking. Their recognition here reinforces this show as a proven launchpad for commercial success.

Yet, the Royal Adelaide Wine Show is much more than a competition. It is a vital opportunity for our industry to come together, benchmark products against the nation's best, and foster a dialogue between producers, industry leaders, and consumers.

Fostering the next generation of talent is fundamental to the show's purpose. This year, we were thrilled to award the 2024 Philip Laffer Royal Adelaide Wine Show Bursary to joint winners Eleanor Bilogrevic and Kate Henderson, who shared the bursary to support their postgraduate studies. Eleanor's PhD research into No-and-Low Alcohol wines and Kate's Master's work on sustainable, non-traditional grape varieties place them at the forefront of industry innovation. Submissions for the 2025 bursary close on Monday, 26th January 2026.

Finally, an event of this calibre cannot happen without the incredible amount of hard work from a dedicated community of volunteers. I extend my sincere gratitude to the RA&HS Wine Committee, led by Chair Dr Tony Robinson, our esteemed Chair of Judges, Ms Samantha Connew, judges, panel chairs, stewards, supervisors, and the many volunteers who work tirelessly behind the scenes. The camaraderie and shared passion among these individuals are what lift the Royal Adelaide Wine Show to its lofty calibre.

**Thank you to all who entered, and congratulations to our 2025 winners.**

# Provenance Judges Biographies

Introduced in 2009, the Provenance Prize recognises wines that embody their region, lineage and longevity. The award is named in honour of three pioneering figures of the Australian wine industry – Hugo Gramp, Tom Hardy and Sidney Hill Smith – who tragically perished in October 1938 when their plane, the Kyeema, crashed into Mount Dandenong on the way to a wine industry conference in Canberra. All 18 passengers and crew were killed.

This year, the Provenance Prize was judged by Philip Rich, Fiona Donald and David LeMire (MW). To be successful, wines needed to demonstrate exceptional quality as a collection, along with consistency of style and expression.

## PHILIP RICH PROVENANCE JUDGE

Philip has more than 30 years' experience as a wine retailer, educator, show judge and writer. In 1996, Philip joined the van Haandels at The Prince of Wales and Stokehouse in Melbourne, where he was responsible for the wine buying, developing award-winning wine lists and sommelier training. Philip also co-founded Melbourne's Prince Wine Store and Bellota Wine Bar and wrote the monthly wine column for The Australian Financial Review Magazine for 17 years.

Philip has chaired various wine shows, including the James Halliday Chardonnay Challenge, Yarra Valley Wine Show, Margaret River Wine Show, Mornington Peninsula Wine Show and The Australian Pinot Noir Challenge. Currently, Philip is the chair for the Limestone Coast Wine Show. Philip covers the Yarra Valley, Geelong and Henty for the James Halliday Wine Companion. In addition to tasting for the Companion he divides his time between looking after France Soir's 6000 bottle cellar, consulting to MacPhee's and conducting wine tours to France every year.

## FIONA DONALD PROVENANCE JUDGE

Fiona Donald has more than 35 years' experience in the wine industry. She was a high-achieving graduate of Roseworthy Agricultural College, completing a Bachelor of Applied Science in Oenology, awarded the KT Hardy Memorial Scholarship for Performance and receiving the silver medal for second aggregate at the time of graduation.

Donald went on to work for Thomas Hardy and Sons (Tintara Winery), Barossa Valley Estate, Penfolds and Hardy's Wines before joining Seppeltsfield in 2009. She was central to the winemaking resurrection of the 1888 Gravity Cellar and today leads the Seppeltsfield winemaking team as chief winemaker.

In 2012 Donald was awarded Barossa Winemaker of the Year by the wine fraternity Barons of Barossa, followed by induction as a Baron of Barossa in 2016. She has been a member of the Royal Adelaide Wine Show committee since 2015 and is a Len Evans Tutorial Scholar. Donald has served as a judge and panel chair at wine shows around Australia. She celebrated her 16th vintage at Seppeltsfield this year.

## DAVID LEMIRE MW PROVENANCE JUDGE

David LeMire MW is a wine business professional with experience in retail, distribution, and brand management.

A two-year stint in London in the mid-90s gave him a 'eurocentric' palate, which he further developed in Australia in his roles with Negotiants Australia, a leading importer of fine wine to Australia. From 2000 – 2007 he was Imports Manager with Negotiants Australia, overseeing a portfolio that included many of the great names of Burgundy.

Judging experience includes stints as Judge or Panel Chair at Royal Sydney Wine Show, Royal Adelaide Wine Show, Barossa Wine Show, Adelaide Hills Wine Show, McLaren Vale Wine Show, Clare Valley Wine Show, and the National Wine Show of Australia, and Chief Judge at McLaren Vale Wine Show from 2017 – 2020, incorporating the James Halliday Grenache Challenge.

# Judges Biographies

## SAMANTHA CONNEW CHAIR OF JUDGES

Samantha Connew is an acclaimed winemaker and consultant who launched her Tasmanian project, Stargazer, in 2013. Her career spans senior roles including Manager of the Hunter Valley Node at the Australian Wine Research Institute, Winemaker/Manager at Tower Estate, and Senior Winemaker at Wirra Wirra Vineyards in McLaren Vale.

Twice nominated by the Australian Society of Viticulture and Oenology as 'Winemaker of the Year' and a two-time finalist for Gourmet Traveller Wine's awards, she has established a strong industry reputation. Stargazer was a finalist for Halliday Wine Companion's 'Winery of the Year' in 2022 and 'Winemaker of the Year' in 2023. Samantha has served on multiple boards, including Wine Tasmania, and is a mentor in the Wine Communicators of Australia program. A respected judge, she chaired the Sydney Royal Wine Show as its youngest female Chair of Judges in 2014. Her Coal River Valley vineyard was named 'Tasmanian Vineyard of the Year' in 2019.

## KIM BICKLEY | PANEL CHAIR

Kim is widely regarded as one of Australia's leading sommeliers, with a career spanning award-winning wine programs at top Sydney restaurants including Glass Brasserie and Black by Ezard. A CMS Certified Sommelier, Len Evans Scholar, Sommeliers Australia Tutorial Scholar and WSET Educator, she has also represented prestigious brands such as Bollinger, Henschke and Petaluma. Now based in the Hunter Valley as Brand and Service Manager at Thomas Wines, Kim consults, judges at wine shows nationwide, and sits on the Wine Selector's Tasting Panel. Passionate about mentoring, she is committed to fostering greater opportunities and connection for sommeliers across Australia.

## MARK O'CALLAGHAN | PANEL CHAIR

Mark O'Callaghan is the Managing Director of Wine Network Consulting (WNC) and works with many different clients across Australia and internationally. Before joining WNC, Mark spent many years as a winemaker with Accolade Wines at various locations around Australia, as well as Austria and Sicily. Mark is a regular wine show judge and is also the incoming Chair of Judges for the Royal Hobart Wine Show in 2024. He is on the management committee for the Royal Melbourne Wine Awards and Victorian Pinot Noir Workshop, occasional author and lecturer and former president of Wine Yarra Valley.

## CATH OATES | PANEL CHAIR

Cath studied business and viticulture at Curtin University, followed by oenology at the University of Adelaide. Her international career includes roles as Group Winemaker at Mud House Wine Group (NZ), Chief Winemaker at Plantagenet Estate, and flying winemaker positions in Italy and the USA. In 2015, she left corporate life to focus on Oates Ends, producing wines from her family's intergenerational property in Margaret River, and running her SheepMaster sheep breeding stud. A passionate advocate for sustainable Australian agriculture, Cath is a founder of the AgCarbon Future platform. In her spare time, she enjoys riding her ex-racehorse Gatsby - or, when he's in a mood, watching from the ground.

## ROB DILETTI | PANEL CHAIR

Rob has been a Chief Judge and Panel Chair at the Perth Wine Show, a Panel Chair at the Wine Show of Western Australia, National Canberra Wine Show and Adelaide Show, as well as judging at numerous other shows across Australia. Robert Diletti has been part of Castle Rock Estate since its inception in 1981. He can still remember helping plant the first vines as a six-year-old in 1983. Many a school holiday and weekend were spent helping his parents on the vineyard.

## RUSSELL CODY | PANEL CHAIR

Russell Cody began his career in the wine industry in 1985, starting in the cellar before moving into a trainee winemaker role at Wolf Blass. In 1995, he joined McWilliam's Wines in Hanwood, NSW, as a red winemaker, and since then has held a variety of roles across different areas of production. In 2007, Russell was entrusted with overseeing fortified winemaking—a responsibility he has carried with passion for the past 18 years. He considers himself a custodian of these wines, many of which were crafted decades ago, guiding them with care to age gracefully while retaining freshness until they are passed on to the next generation.

## STEPHEN PANELL | PANEL CHAIR

Stephen Pannell's passion for wine began in his youth in Margaret River, where after school he helped dust bottles, stick labels, and work in the vineyard. After leaving school, he honed his craft overseas with leading wineries in Burgundy, Bordeaux, and Italy's Barolo region. Returning to Australia, Stephen spent a decade at BRL Hardy, most of it as Chief Red Winemaker, crafting award-winning wines and establishing a reputation as one of the nation's finest. Voted one of Australia's top ten winemakers, named International Red Winemaker of the Year, and recognised by Decanter magazine as one of the 50 most influential contributors to wine, Stephen is a leading voice in Australian winemaking.

## From the chair of Judges Samantha Connew

It is a privilege to be able to present to you, on behalf of our team of esteemed judges and the Wine Show Committee, the results of the 2025 Royal Adelaide Wine Show. In my first year as Chair of Judges, I believe the results accurately reflect the extraordinarily high standard of viticulture and winemaking in Australia and for that I would like to thank all exhibitors in continuing to have faith in both the wine show system and in this Show in particular.

Having spent more than fifteen years living and working in and around Adelaide, it is always a treat to return to City of Churches and especially to do so in the company of 33 wine industry professionals who happily gave up their time to evaluate the more than 2000 wines entered in this year's Show. I would particularly like to thank the six Panel Chairs – Stephen Pannell, Mark O'Callaghan, Kim Bickley, Russell Cody, Rob Diletti and Cath Oates – who made my task an easy one.

Amongst such a dedicated group of judges, I would particularly like to draw attention to the associate judges at this year's Show. I don't believe I have ever encountered such a strong cohort of up-and-coming judges and across the five days of judging, there were too many 'associate golds' to count – the future is in very safe hands.

In terms of the results, firstly, whilst it is easy to focus on the trophy results (and obviously I applaud the winners) there is real depth if you dig deeper through the catalogue. With Shiraz, Cabernet Sauvignon and Chardonnay always making up the bulk of entries to Capital City Wine Shows it is sometimes easy to overlook exactly how world class the top wines in these classes are.

The 2023 Shiraz class amply demonstrates this. This class generated a swag of gold medals, awarded to wines of very diverse styles and from eight different regions across the country. This shows why this variety, although sometimes taken for granted, has such a stronghold in this country; there is some very good (and serious) drinking here. Chardonnay continues to delight although the fight for line honours here largely occurred between Margaret River and the Yarra Valley, a fight mirrored in the Cabernet Sauvignon classes between Margaret River again and Coonawarra.

The so called 'alternative' varieties continue to progress at a revolutionary pace and standouts for me were the Fiano class with the top wine showing real power and drive, and in the reds amongst some delicious Malbecs, Tempranillos, Sangioveses etc. my personal favourite was a perfumed and bright Cabernet Franc.

One of the highlights of the Royal Adelaide Wine Show is the National Wine of Provenance classes and I thank Fiona Donald, David Le Mire MW and Philip Rich for taking the time to judge these wines, although I suspect it was not too much of an onerous task! The evaluation of these Provenance classes throughout the wine show system, spearheaded by this Show, has been a delight to see, as they showcase both consistency and progression at the same time. I encourage exhibitors to continue to enter, but to choose their vintages carefully!

Finally, many thanks to Andrew Hardy, Tony Robinson and all of the members of the Royal Adelaide Wine Show committee whose tireless work and commitment help to continue to see this Show at the forefront of wine show relevance in this country.

# Trophy Backgrounds

Many Royal Adelaide Wine Show trophies are now named after individuals who have made a significant contribution to the South Australian and/or Australian wine industry.

---

## GRAMP, HARDY, HILL SMITH PRIZE FOR NATIONAL WINE OF PROVENANCE

Awarded for the first time at the 2009 Royal Adelaide Wine Show, this trophy perpetuates the memory of three prominent South Australian winemakers, Thomas Mayfield Hardy of Hardy Wines, Sidney Hill Smith of the Yalumba Wine Company and Louis Hugo Gramp of Orlando Wines, who were killed in an aircraft accident in Victoria in 1938. In addition to Hardy, Hill Smith and Gramp, several other passengers were also part of a South Australian agricultural delegation. Hugo Gramp and Tom Hardy were members of the Society's Wine Committee at the time of the tragedy – Gramp (1927-1938) and Hardy (1926-1938).

---

## MAX SCHUBERT AM TROPHY FOR MOST OUTSTANDING RED WINE IN SHOW

First awarded for Best Consumer Table Wine in Show at the Royal Adelaide Wine Show in 1997, the Max Schubert Trophy honours Max Schubert, Penfold Wines Chief Winemaker (1948 – 1975) whose philosophy of persistence and innovation pioneered new techniques in table wine production. Following a study tour in 1950, he created the now famous Grange. Schubert was determined to make an Australian red wine which would rival the French in excellence and longevity but with a truly Australian character. Early vintages of Penfold's Grange began winning awards in the early 1960's and since then Penfold's Grange has won countless awards and is recognised worldwide as a South Australian icon.

---

## GEORGE FAIRBROTHER MEMORIAL TROPHY FOR MOST OUTSTANDING WHITE WINE IN SHOW

George was educated at Roseworthy Agricultural College from 1919-1921. From Roseworthy he went to Walter Reynell & Sons Ltd before moving to NSW to work as a wine and spirit merchant. On his return to SA he was employed by Robert Bryce & Co Pty Ltd, Adelaide where he remained for the next twenty-four years. George Fairbrother's wine judging started in 1946 at the Adelaide Wine Show. In the following thirty-one years he judged all over Australia, was widely regarded as a doyen of Australian wine judges and at the time was believed to have been the only person who had acted as Chairman at every major Wine Show.

George Fairbrother's palate was legendary and he proved himself over many years as a fine wine judge and one of few that were capable of assessing the qualities of brandy. He was generous in sharing his knowledge and in giving friendly guidance to others in the industry. On retiring from Robert Bryce & Co he remained in the industry as a wine broker and cork merchant. He retired from judging in 1977, and died in April 1991.

---

## THE GOVERNOR'S TROPHY FOR BEST SOUTH AUSTRALIAN WHITE WINE IN SHOW AND BEST SOUTH AUSTRALIAN RED WINE IN SHOW

Introduced in 2019, The Governor's Trophies for Best South Australian White Wine in Show and Best South Australian Red Wine in Show recognise the excellence of South Australia's wine makers and the importance of the South Australian wine industry to the history and economy of the State.

The winning wines will be served at Government House to international, interstate and local visitors in the following 12 months.

## THE HURTLE AND NORMAN WALKER TROPHY FOR BEST SPARKLING WINE IN SHOW

Hurtle Frank Walker (1890-1975) was born at Magill, Adelaide. His lifetime association with the South Australian wine industry began at the age of 10 when he obtained exemption from Magill Public School to pick grapes. At 14, Walker left school to take a job with Auldana Winery. It was here that he mastered the fundamentals of making champagne under the direction of Leon Edmund Mazure and was placed in charge of the sparkling wine cellars at age 21. Following World War One, he returned to Australia in 1919 and established Romalo Cellars with Mazure. In 1926 he was appointed manager of the company, a position he held until his retirement. During the 1920's, Wynns purchased Romalo Champagne Cellars and the name continued until the 1970's when it became known as Seaview Champagne Cellars. Hurtle's record of achievement in both the technical and business sides of winemaking was passed to his son Norman. Both men devoted their professional lives to the making of champagne using time honoured traditional french methods. Under the Romalo label, Hurtle Walker carried on the méthode champenoise as did his son Norman later under the Seaview label. Today, Norman's son Nick Walker continues the sparkling tradition established by his grandfather in partnership with David O'Leary under the name O'Leary Walker.

## PROFESSOR AJ PERKINS TROPHY FOR BEST CABERNET SAUVIGNON IN SHOW

First awarded at the Royal Adelaide Wine Show in 1959 for the Most Outstanding Dry White Wine, this trophy perpetuates the memory of the late Professor AJ Perkins, Agricultural Scientist and Viticulturist. Prof. Perkins was SA's first Viticultural Expert, a Principal of Roseworthy Agricultural College (1904-1914) and subsequently Director of Agriculture, South Australia (1914-1936). The Professor AJ Perkins Trophy is the Royal Adelaide Wine Show's oldest named trophy.

## KARL SEPPALT AO TROPHY FOR BEST OTHER VARIETAL RED IN SHOW

Karl Seppelt, a third generation member of the Seppelt family was born in 1930 and educated at St Ignatius College in Sydney and Roseworthy Agricultural College. Karl Seppelt became Chief Viticulturist with B Seppelt & Sons Ltd in 1955-1972, General Manager from 1972-1979 and Managing Director from 1979-1985. Following the takeover of Seppelt's by South Australian Brewing Holdings Ltd, Karl and his family established their own winery at Mt Pleasant. Karl was instrumental in advancing the Australian wine industry beyond a mainly fortified wine producer, and was instrumental in pursuing regions suitable for premium table wine production. This led to the rise of Riesling in the 1970's and the establishment of Chardonnay in the 1980's and 1990's. Karl joined the Royal Agricultural & Horticultural Society of SA's Wine Committee in 1973, he served as Vice Chairman from 1975-1982, was Chairman from 1983-2001 and the committee's representative on the Executive Council of the RA&HS from 1986-2000. Karl retired in November 2004 and was subsequently made an Honorary Councillor. Karl Seppelt was awarded the Order of Australia in January 2006.

## DR RAY BECKWITH OAM MEMORIAL TROPHY FOR BEST TRADITIONAL AUSTRALIAN RED BLEND IN SHOW

Born in 1912 in Cowell, South Australia, Arthur Ray Beckwith (Ray) was responsible for some of the most fundamental innovations to Australia's wine making industry. He is believed to be the first person in Australia, if not the world, to discover the role of acidity levels in wine spoilage and to implement the use of pH metering using precision instruments. He also was the first to use atomic absorption spectrophotometry for quality assurance in winemaking (circa 1962) and discovered that the addition of cultures of specific yeasts to the wine production process greatly improved wine quality. These practices are now standards in the Australian wine making industry. Beckwith spent most of his professional life working for Penfolds Wines in South Australia (1935 - 1973) and was responsible for much of the company's success. He was also heavily involved in the Australian Wine Research Institute and other important wine committees and organisations. In July 2006 Ray Beckwith received Australia's top wine award, the McWilliam's Wines Maurice O'Shea Award, for recognition of his outstanding contribution to Australia's wine industry.

## JOHN FORNACHON MEMORIAL TROPHY FOR BEST APERA, TOPAQUE OR MUSCAT IN SHOW

The John Fornachon Memorial Trophy was originally offered for the Best Dry Sherry in the Royal Adelaide Wine Show from 1973 to 1998. This was to honour the work of John Charles Macleod Fornachon (1905 - 1968), wine microbiologist, who in addition to his important research into diseases, spoilage of wines and fermentation was a prolific publisher, lecturer and wine show judge. John Fornachon was a judge at the Royal Adelaide Wine Show for two decades from 1948 and was Principal Judge 1948 - 1965. He served on the RA&HS wine committee from February 1967 until his death in August 1968.

# Judging Criteria

## Judging Process

Entries judged across six panels over four and a half days, segmented by class.

Judges do not have access to exhibit identities until awards are announced.

**Wines are judged on:**

- **Colour & clarity** (15 points)
- **Bouquet** (35 points)
- **Palate** (50 points)

Total: 100 points

Wine flights are judged and scored without collaboration. Following the flight, the panel discuss, callback, determine the final scores and allocate medals. Results are all then reviewed and confirmed by the Chair of Judges.

After judging, the top Gold Medal winners are re assessed to determine the Trophy winners. Please turn to pages 56 - 58 to find a list of all the Trophies and the winners for this year.

The Society and its representatives (including judges) have the right to disqualify or dismiss, any exhibit which does not comply with regulations. The Judge's decision is final.

A trophy may not be awarded if none of the wines in the relevant class(es) are awarded gold.

## Medals & Trophies

**Gold: 95.0+ points**

**Silver: 90.0–94.9 points**

**Bronze: 85.0–89.9 points**

## Abbreviations

<b>G</b>	Gold
<b>S</b>	Silver
<b>B</b>	Bronze
<b>W</b>	Withdrawn
<b>DQ</b>	Disqualified

**This catalogue includes:**

- Medal (if any)
- Exhibit Number
- Winery Name
- Commercial Name

## CLASS 3 | CHARDONNAY, 2023 VINTAGE AND OLDER.

JUDGES COMMENTS - Five beautiful gold medals prompted much discussion about style, fruit concentration and winemaking artifact. Whilst hard to split, the determining factor was innate fruit quality on this occasion.

### CLASS 4 | RIESLING, 2025 VINTAGE.

JUDGES COMMENTS - A strong class of wines showing great fruit weight with balanced acidity and structure. Some wines suffered from the hot and dry conditions and showed forward and cooked characters.

Australia

*Our history is written everyday,  
at the heart of excellence*

Present in Australia since 2012, **Doreau Cooperage** created a branch in order to be as close to winemakers as possible, and offer the best service. We started with barrels and oak alternatives and slowly added products, always carefully chosen to match the high quality that Doreau represents.

Today our range includes :

- **Doreau and Vernou** oak barrels
- **Sense Oak** alternatives
- Big formats from **Doreau l'Atelier**
- **Oenotan** oak tannins
- **Fermentis** direct pitch yeasts and derivatives

[www.negotiants.com](http://www.negotiants.com)

Negotiants Australia prides itself on its integrity and commitment to all things classic in the world of fine wine. Since inception as a shipper in 1984 through to distributor in 1991 Negotiants Australia has carved a well-revered reputation based on quality, provenance and ultimately trust to the Australian wine community.

A focus on 'best in class' from likeminded reputable family producers has driven this trust to the wine community. The notation 'Imported by Negotiants Australia' delivers both wine trade and consumer a confidence that only time and commitment can provide.

Our internal mantra/aspiration is 'Ultimate wine partner' which is what we get out of bed to achieve. Given this state of mind, we are constantly on the search for great wine experiences to bring to the trade on a national basis.

# A HUB FOR INNOVATION AND CELEBRATION

The **National Wine Centre of Australia** is more than an architectural icon in the heart of Adelaide's East End, we are a strategic partner for the Australian wine industry. Perfectly positioned alongside the Botanic Gardens, the Centre is an unrivalled destination for industry engagement.

Purpose-built for adaptability and accessibility, our versatile event spaces have hosted everything from trade shows and conferences to intimate dinners and regional wine celebrations.

## CHAMPIONING INDUSTRY CONNECTIONS

*"Our role is about more than hosting events, it's about creating the right environment for the wine and agricultural industries to connect, collaborate and grow. From wine technology forums to agri-business conferences, trade tastings and industry award dinners, the Centre has become a natural meeting place for the people shaping the sector's future. Pair that with South Australia's best food and wine, and you have a venue that not only showcases the industry, but helps it thrive."*

## CLASS 28 | CABERNET SAUVIGNON, 2020 VINTAGE AND OLDER.

JUDGES COMMENTS - Majority of wines unfortunately showed too much oak for fruit, with others looking quite tired. Best wines still had life and vibrant fruit.

# VPD-SA

## Vapor Pressure Deficit - Stacked Array

\* The VPD-SA is compatible with all Sentek® 485-enabled probes, including Enviroscan and Drill and Drop

## “YOU CAN NOW GET THE FULL PICTURE”

With the new VPD-SA.. You can measure all aspects of the vine profile, and when used in conjunction with a multi-level soil probe, you have everything from soil and nutrients at the bottom of the rootzone up to your upper canopy conditions.

With all sensors connected to a single base, every reading aligns with every sensor, making analysis of events clear and precise.

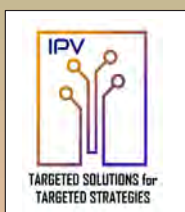

The VPD-SA integrates a range of soil, canopy, irrigation and environmental sensors, including:

- GPS – for time sync and auto location.
- Temperature and Humidity for
  - Heatwave strategies
  - Frost monitoring
  - Disease monitoring
- CO<sub>2</sub> – to monitor the plant's transpiration and respiration
- VPD – Vapour Pressure Deficit to monitor real-time canopy status
- Soil Moisture – this unit will interface with your soil probe\*
- Can monitor irrigation rate and pressure.
- Gas sensors can monitor CH<sub>4</sub> (Methane) and NH<sub>3</sub> (Ammonia) to provide data on soil health and fertiliser status.

The VPD-SA is a modular profiling sensor and is available in a standard specification or is fully customisable in relation to the monitored zone. Sensor spacings are 10 cm, and the total height can be from 50cm to 400cm.

The system can send data straight to “IrrimxLIVE” when supplied with any Sentek soil probe product or send data to your database.

The VPD-SA can connect to most Modbus, pulse, analog or 2IC sensor.

## CLASS 42 | NERO D'AVOLA, ANY VINTAGE.

JUDGES COMMENTS - Very, very interesting class indeed. Some lighter weight wines, of course, but the better ones with brightness and fruit flesh are exactly the style of red wine that we keep hearing the world is gravitating to and enjoying. Some very interesting business potential here perhaps.
