## 2023 ROYAL ADELAIDE WINE SHOW

## WELCOME TO THE 2023 ROYAL ADELAIDE WINE SHOW

Competition hones excellence, and for more than 145 years the Royal Adelaide Wine Show has been a showcase for the best of Australian wine.

And the competition is indeed fierce, with winemakers from around the nation hoping to be recognised for their wonderful drops.

However, the Royal Adelaide Wine show is so much more than a competition. It's a chance for winemakers to come together and benchmark their product against others, to see exactly where they sit on a national level.

And, perhaps most importantly, it's a chance for winemakers to gather as an industry and talk. Talk about their wine, what went right, what went wrong, what they might do differently in the future. A chance to foster community in a practice where stories and a sense of place are so very important.

Entries were down slightly this year, with 2323 entries from 311 exhibitors, but the standard was – as always – first class.

Twenty-five trophies were awarded across the Wine Show, including the prestigious Max Schubert Trophy for the Most Outstanding Red, an award named in honour of the creator of Penfold's Grange and one of the most important pioneers of Australian wine.

Other prizes awarded this year included the Most Outstanding White Wine in Show and the Gramp, Hardy, Hill Smith Prize Outstanding Wine of Provenance – all amongst the most sort-after trophies in Australian wine.

Of course wine is a multi-generational industry, and the Royal Adelaide Wine Show is always looking at ways to foster new young talent and start new journeys for budding young viticulturalists and oenologists.

There are always opportunities for students to get involved behind the scenes - volunteering alongside some of the best winemakers and judges in the country - and submissions for the Phillip Laffer Royal Adelaide Wine Show Bursary are open until November 30. This bursary provides \$5000 funding to a student undertaking undergraduate or postgraduate studies in viticulture or oenology at a university.

Lastly, none of this can happen without an incredible amount of hard work, and I would like to take this opportunity to thank the wine committee, judges, panel chairs, stewards, supervisors and the many volunteers working behind the scenes.

It is these people, working alongside the very best winemakers and judges, that make the Royal Adelaide Wine Show the competition that it is.

PJ was drawn back to his motherland, with visions of great Riesling, Chardonnay and Pinot Noir grown in Central Otago, offering him an outlet to satiate that thirst for home. Years later, PJ was prompted to add to that yin the Aussie yang, with Semillon, Chardonnay and Shiraz grapes painting the other half of the picture.

# FROM THE CHAIR OF JUDGES

## 2023 ROYAL ADELAIDE WINE SHOW

It has once again been an honour to lead an exceptional team of judges for the 2023 Royal Adelaide Wine Show. As I have said in the past, this wine show has a special significance for me as it was where I started as an Associate Judge nearly 30 years ago. This year's cohort of judges covered all states and many of the wine region from across the country as well as trade and hospitality on top of the winemaking fraternity. The Panel Chairs not only brought a wealth of knowledge with them but a deep sense of rigour and accuracy to the judging. Ably supported by strong judges and possibly the strongest field of Associates I have worked with.

The current climate of economic stress and geopolitical tensions sees our industry in a precarious position. The Covid honeymoon of strong wine sales growth has been well and truly eclipsed by declining wine consumption, increasing cost of production and an ever-growing pool of oversupply. This means there are some tough decisions that will need to be made across the wine industry. The positive news in all of this, and it is up to us as an industry collective, is to celebrate the best there is on offer. This is where the integrity and transparency of the wine show system has an important role to play in ensuring wine quality is in the forefront of not only winemaker's minds but also the consumers. Diversity in the results is a positive and producers should not throw their toys if they are not in the winner's circle, competition is strong, and you cannot win if you are not entering.

The traditional notion of "Improving the Breed" is something that the wine show system has wrestled with for some years now but in a world where trends and fashion come and go, this transparent and auditable system of assessing wine offers producers very strong peer review and consumers, possibly the ultimate buying guide.

The results this year were strong off the back of lower entry numbers, with a total of approximately 2,300 entries of which 50% received a medal, approximately 5% being Gold. While the traditional varietal classes like Chardonnay, Riesling, Shiraz, and Cabernet Sauvignon performed well, the emerging white and red varietal and blend classes provided a surprising number of very strong wines. Grenache and friends continue to go from strength to strength as well as Tempranillo, Touriga and Nero d'Avola, while Fiano, Vermentino, and Gruner Veltliner starred on the white side of the other varietal ledger.

There is a distinct shift in style with Shiraz and Cabernet based wines with brighter fruit expression, composed tannin structure and more integrated oak handling taking the lead. These styles have a clear approachability to them which is important in tough market conditions.

Australian Sparkling also continues its march forward in quality and the best wines offered a depth of flavour and style that only comes with serious investment in production techniques, these wines need to be celebrated more.

Finally, but by no means the least are the fortified classes. The entries in these classes are slowly subsiding in quantity but not in quality. The top wines here show a distinction and expansiveness that is seen nowhere else on the planet. We need to cherish these wines and find more reasons to enjoy them as a nation.

In summary, a very good show with strong result and I would encourage producers and consumers to use these results for careful investment into the future whether it be making or enjoying these wines.

# 2023 TROPHIES

## ROYAL ADELAIDE WINE SHOW

MANY ROYAL ADELAIDE WINE SHOW TROPHIES ARE NOW NAMED AFTER INDIVIDUALS WHO HAVE MADE A SIGNIFICANT CONTRIBUTION TO THE SOUTH AUSTRALIAN AND/OR AUSTRALIAN WINE INDUSTRY.

### GRAMP, HARDY, HILL SMITH PRIZE FOR NATIONAL WINE OF PROVENANCE

Awarded for the first time at the 2009 Royal Adelaide Wine Show, this trophy perpetuates the memory of three prominent South Australian winemakers, Thomas Mayfield Hardy of Hardy Wines, Sidney Hill Smith of the Yalumba Wine Company and Louis Hugo Gramp of Orlando Wines, who were killed in an aircraft accident in Victoria in 1938. In addition to Hardy, Hill Smith and Gramp, several other passengers were also part of a South Australian agricultural delegation. Hugo Gramp and Tom Hardy were members of the Society's Wine Committee at the time of the tragedy – Gramp (1927-1938) and Hardy (1926-1938).

### MAX SCHUBERT AM TROPHY FOR MOST OUTSTANDING RED WINE IN SHOW

First awarded for Best Consumer Table Wine in Show at the Royal Adelaide Wine Show in 1997, the Max Schubert Trophy honours Max Schubert, Penfold Wines Chief Winemaker (1948 – 1975) whose philosophy of persistence and innovation pioneered new techniques in table wine production. Following a study tour in 1950, he created the now famous Grange. Schubert was determined to make an Australian red wine which would rival the French in excellence and longevity but with a truly Australian character. Early vintages of Penfold's Grange began winning awards in the early 1960's and since then Penfold's Grange has won countless awards and is recognised worldwide as a South Australian icon.

### GEORGE FAIRBROTHER MEMORIAL TROPHY FOR MOST OUTSTANDING WHITE WINE IN SHOW

George was educated at Roseworthy Agricultural College from 1919-1921. From Roseworthy he went to Walter Reynell & Sons Ltd before moving to NSW to work as a wine and spirit merchant. On his return to SA he was employed by Robert Bryce & Co Pty Ltd, Adelaide where he remained for the next twenty-four years. George Fairbrother's wine judging started in 1946 at the Adelaide Wine Show. In the following thirty-one years he judged all over Australia, was widely regarded as a doyen of Australian wine judges and at the time was believed to have been the only person who had acted as Chairman at every major Wine Show.

George Fairbrother's palate was legendary and he proved himself over many years as a fine wine judge and one of few that were capable of assessing the qualities of brandy. He was generous in sharing his knowledge and in giving friendly guidance to others in the industry. On retiring from Robert Bryce & Co he remained in the industry as a wine broker and cork merchant. He retired from judging in 1977, and died in April 1991.

### THE GOVERNOR'S TROPHY FOR BEST SOUTH AUSTRALIAN WHITE WINE IN SHOW AND BEST SOUTH AUSTRALIAN RED WINE IN SHOW

Introduced in 2019, The Governor's Trophies for Best South Australian White Wine in Show and Best South Australian Red Wine in Show recognise the excellence of South Australia's wine makers and the importance of the South Australian wine industry to the history and economy of the State.

The winning wines will be served at Government House to international, interstate and local visitors in the following 12 months.

THE HURTLER AND NORMAN  
WALKER TROPHY FOR BEST  
SPARKLING WINE IN SHOW

Hurtler Frank Walker (1890-1975) was born at Magill, Adelaide. His lifetime association with the South Australian wine industry began at the age of 10 when he obtained exemption from Magill Public School to pick grapes. At 14, Walker left school to take a job with Auldana Winery. It was here that he mastered the fundamentals of making champagne under the direction of Leon Edmund Mazure and was placed in charge of the sparkling-wine cellars at age 21. Following World War One, he returned to Australia in 1919 and established Romalo Cellars with Mazure. In 1926 he was appointed manager of the company, a position he held until his retirement. During the 1920's, Wynns purchased Romalo Champagne Cellars and the name continued until the 1970's when it became known as Seaview Champagne Cellars. Hurtler's record of achievement in both the technical and business sides of winemaking was passed to his son Norman. Both men devoted their professional lives to the making of champagne using time-honoured traditional french methods. Under the Romalo label, Hurtler Walker carried on the méthode champenoise as did his son Norman later under the Seaview label. Today, Norman's son Nick Walker continues the sparkling tradition established by his grandfather in partnership with David O'Leary under the name O'Leary Walker.

PROFESSOR AJ PERKINS  
TROPHY FOR BEST  
CABERNET SAUVIGNON  
IN SHOW

First awarded at the Royal Adelaide Wine Show in 1959 for the Most Outstanding Dry White Wine, this trophy perpetuates the memory of the late Professor AJ Perkins, Agricultural Scientist and Viticulturist. Prof. Perkins was SA's first Viticultural Expert, a Principal of Roseworthy Agricultural College (1904-1914) and subsequently Director of Agriculture, South Australia (1914-1936). The Professor AJ Perkins Trophy is the Royal Adelaide Wine Show's oldest named trophy.

KARL SEPPELT AO  
TROPHY FOR BEST OTHER  
VARIETAL RED IN SHOW

Karl Seppelt, a third generation member of the Seppelt family was born in 1930 and educated at St Ignatius College in Sydney and Roseworthy Agricultural College. Karl Seppelt became Chief Viticulturist with B Seppelt & Sons Ltd in 1954 -1972, General Manager from 1972 -1979 and Managing Director from 1979 - 1985. Following the take-over of Seppelt's by South Australian Brewing Holdings Ltd, Karl and his family established their own winery at Mt Pleasant. Karl was instrumental in advancing the Australian wine industry beyond a mainly fortified wine producer, and was instrumental in pursuing regions suitable for premium table wine production. This led to the rise of Riesling in the 1970's and the establishment of Chardonnay in the 1980's and 1990's. Karl joined the Royal Agricultural & Horticultural Society of SA's Wine Committee in 1973, he served as Vice Chairman from 1975-1982, was Chairman from 1983-2001 and the committee's representative on the Executive Council of the RA&HS from 1986-2000. Karl retired in November 2004 and was subsequently made an Honorary Councillor. Karl Seppelt was awarded the Order of Australia in January 2006.

DR RAY BECKWITH OAM  
MEMORIAL TROPHY FOR  
BEST TRADITIONAL  
AUSTRALIAN  
RED BLEND IN SHOW

Born in 1912 in Cowell, South Australia, Arthur Ray Beckwith (Ray) was responsible for some of the most fundamental innovations to Australia's wine making industry. He is believed to be the first person in Australia, if not the world, to discover the role of acidity levels in wine spoilage and to implement the use of pH metering - using precision instruments. He also was the first to use atomic absorption spectrophotometry for quality assurance in winemaking (circa 1962) and discovered that the addition of cultures of specific yeasts to the wine production process greatly improved wine quality. These practices are now standards in the Australian wine making industry. Beckwith spent most of his professional life working for Penfolds Wines in South Australia (1935 - 1973) and was responsible for much of the company's success. He was also heavily involved in the Australian Wine Research Institute and other important wine committees and organisations. In July 2006 Ray Beckwith received Australia's top wine award, the McWilliam's Wines Maurice O'Shea Award, for recognition of his outstanding contribution to Australia's wine industry.

JOHN FORNACHON  
MEMORIAL TROPHY FOR  
BEST APERA, TOPAQUE OR  
MUSCAT IN SHOW

The John Fornachon Memorial Trophy was originally offered for the Best Dry Sherry in the Royal Adelaide Wine Show from 1973 to 1998. This was to honour the work of John Charles Macleod Fornachon (1905 – 1968), wine microbiologist, who in addition to his important research into diseases, spoilage of wines and fermentation was a prolific publisher, lecturer and wine show judge. John Fornachon was a judge at the Royal Adelaide Wine Show for two decades from 1948 and was Principal Judge 1948 – 1965. He served on the RA&HS wine committee from February 1967 until his death in August 1968.

# GRAMP, HARDY, HILL SMITH PRIZE FOR NATIONAL WINE OF PROVENANCE

Introduced in 2009 to recognise wines that reflect their region, lineage and longevity, the prize is named in honour of three iconic Australian wine industry pioneers – Hugo Gramp, Tom Hardy and Sidney Hill Smith – who perished in October, 1938, in an aircraft accident. The trio were travelling to Canberra for a wine industry conference, when their plane (the

Kyeema) crashed into Mount Dandenong, killing all 18 passengers and crew.

The Provenance Prize was judged by 3 of the best; Dave Brookes, David LeMire and Tamara Grischy. The wines needed to demonstrate superior quality as a group, as well as consistency of style and expression.

## CLASS 26 / CABERNET SAUVIGNON, 2020 VINTAGE

JUDGES COMMENTS - A bit disappointing with many wines showing a lack of freshness, balance, or varietal expression. Top wines had freshness, great varietal expression, and judicious oak handling.

## CLASS 27 / CABERNET SAUVIGNON, 2019 VINTAGE

JUDGES COMMENTS - Top wines from this Class showed freshness combined with ripe tannin structure. A few wines were a little underripe and the tannin reflected this. Many wines still show great vibrancy with years ahead. Excellent oak handling across the class.

**Integrated Precision

**Approved Sentek Distributor**

IPV has been installing and maintaining the Sentek product for 14 years and our service area covers McLaren Vale, Langhorne's Creek, Barossa Valley and the Clare Valley.

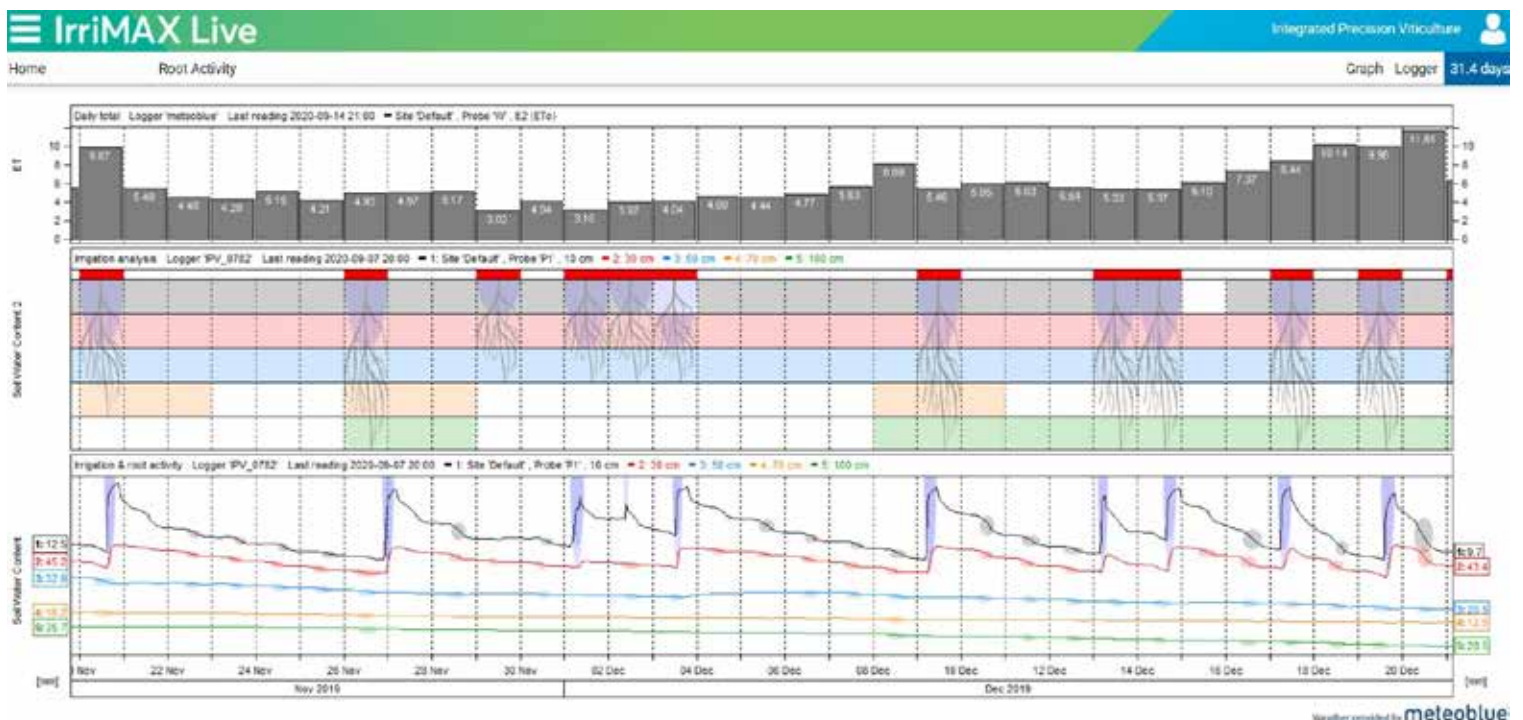

A key directive of IPV's strategy has been to keep hardware to a minimum in the field to reduce damage and improve the efficiency of day to day vineyard operations.

Sentek has now taken the way you see your data to the next level, by clearly showing where and when your vines are extracting water.

Add to this, the grower has the option to take advantage of 7-day forecasts which make planning for future weather event much more predictable.

Now growers can plan when and how much water they need and check how effective the application was.

## CLASS 30 / SHIRAZ, 2021 VINTAGE AND YOUNGER

JUDGES COMMENTS - A very strong class indeed, a joy to judge. Great to see at a time when shiraz has some challenges elsewhere. An interesting array of styles coming through, highlighting fruit with seamless tannin structure and elegant oak integration.

### CLASS 31 / SHIRAZ, 2020 VINTAGE

JUDGES COMMENTS - Underwhelming set of wines overall. Still clear that lots of work has been done with this variety, which is great. The texture across the board was very nicely managed, however probably in need of more fruit drive, not ripeness.

Negotiants Australia prides itself on its integrity and commitment to all things classic in the world of fine wine. Since inception as a shipper in 1984 through to distributor in 1991 Negotiants Australia has carved a well-revered reputation based on quality, provenance and ultimately trust to the Australian wine community.

A focus on 'best in class' from likeminded reputable family producers has driven this trust to the wine community. The notation 'Imported by Negotiants Australia' delivers both wine trade and consumer a confidence that only time and commitment can provide.

Our internal mantra/aspiration is 'Ultimate wine partner' which is what we get out of bed to achieve. Given this state of mind, we are constantly on the search for great wine experiences to bring to the trade on a national basis.
