2016 Royal Adelaide Wine Show

Welcome to the 2016 Royal Adelaide Wine Show.

The 2016 Royal Adelaide Wine Show continues to achieve solid entry numbers with 342 Australian wineries collectively submitting 2,605 wines, an outstanding result which reaffirms the Adelaide Wine Show as one of the most important wine shows in Australia.

The National School Wine Competition established in 2013 continues to grow and is positioned to lift the profile of schools which make wine, enable the school's wines to be judged by a professional judging panel, promote the vocations, viticulture and wine making and be an educational experience for students involved.

The Wine Show awards 25 trophies including; Most Outstanding Red and Most Outstanding White Wine in Show and the Gramp, Hardy, Hill Smith Prize for Outstanding Wine of Provenance. Winemaker of the Most Outstanding Red and White Wine in Show continues to be one of the most sought after wine show accolades.

The 2016 competition in its 139th year is positioning The Max Schubert Trophy as Australia's most prestigious red wine award. The vision of the Wine Committee is to position this trophy as being one of the country's top wine accolades.

Honouring the father of Australian table wine and the creator of Penfold's Grange, it's become the most coveted trophy among Australian winemakers in recent years.

This year we are delighted to welcome back Matthew Jukes as international wine show judge. Matthew has been working in the wine trade since 1987 and hosts corporate and consumer wine tastings all over the world as well as writing a weekly column for MoneyWeek and the Daily Mail.

Matthew was made Honorary Australian of the Year in the UK at the 2012 Australia Day Foundation Gala dinner. He joins an eminent list of previously appointed Honorary Australians, including Lord Carrington, Baroness Greenfield and Sir David Attenborough. Matthew's thoughts, recommendations and tasting notes are followed very closely by the wine world at large and we are delighted to have Matthew as part of our wine show.

The high caliber of wine entries, wine judges, panel chairs, stewards, supervisors and many volunteers make the Wine Show the success it is. I would like to thank and acknowledge Chairman of Judges Michael Brajkovich MW for ensuring the judging process is of the highest standard.

I would like to acknowledge and thank the Society's Wine Committee, Society staff and the Oenology students from the University of Adelaide for their ongoing valuable contribution to the Wine Show.

The 2016 *Catalogue of Results* profiles the judges involved in the Wine Show and lists the competition results including medal and trophy winning wines. The Catalogue is a great resource and a valuable guide for wine consumers.

Thank you to all competition entrants and congratulations to the 2016 award winners.

MEET THE 2016 JUDGES

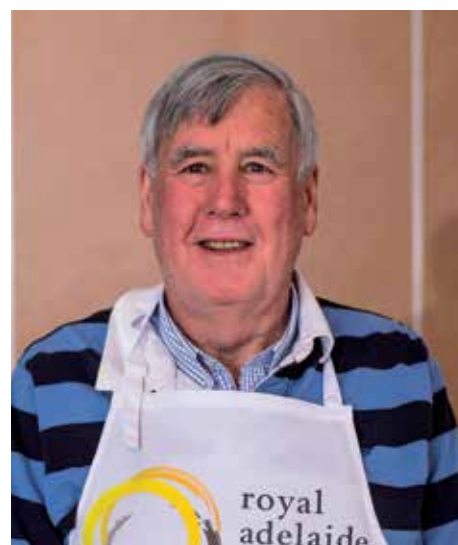

IAIN RIGGS
PROVENANCE JUDGE

Iain Riggs, Managing Director, Chief Winemaker and part owner of Brokenwood Wines, has taken Brokenwood from a small 'hobby' winery to the national and international arena. Iain studied at Roseworthy College between 1972 and 1975, graduating with honors. At this time, the industry was undergoing a major change, namely the emergence of white wine. He first worked at Bleasdale and Hazelmere in McLaren Vale. At Hazelmere, he sparked his interest in varietal blending and was one of the pioneers of the now famous combination of Sauvignon Blanc and Semillon. At Hazelmere, Iain, as Chief Winemaker, focused on white wines, and was crowned McLaren Vale Bushing King in 1982 with his multi trophy winning Chardonnay. Iain is currently Chairman of the Shanghai International Wine Challenge and Chairman of the Qantas Wine Show of Western Australia. At the 2013 Gourmet Traveller Wine Magazine Winemaker of the Year Awards, Iain was honored with the Len Evans Award for Outstanding Contribution to the Wine Industry. In 2003, Iain was awarded the Graham Gregory trophy for outstanding service to the NSW wine industry.

chairman of judges comments

2016 Royal Adelaide Wine Show

Once again it has been a privilege for me to Chair the Royal Adelaide Wine Show in 2016. We are fortunate to have a team of judges with outstanding wine judging expertise and experience, and the administration of the backroom is second to none.

We evaluated more than 2,600 wines over four days and many highlights emerged in the course of the judging.

Shiraz is the largest varietal category in the Wine Show. The quality is of an exceptionally high standard with diverse stylistic interpretations. As befits a wine show that accepts entries from all over Australia, it is a characteristic of the Adelaide Show that a wide range of regional and winemaking styles are recognised and rewarded. This is clearly indicated in the list of gold medals.

The Cabernet Sauvignon blends with Merlot, Cabernet Franc and the other Bordeaux varieties have really impressed this year with their class and quality, and have in many cases outdone the Cabernet Sauvignon class.

The Grenache and Grenache blends have continued in their quality improvement to become very impressive, and in the other red classes, varieties such as Mataro (Mouvedre), Tempranillo, Touriga and Montepulciano are really making an impact.

The outstanding quality of the Chardonnay classes is self-evident, and this variety is showing how fragrant, complex and texturally pleasing it can be across a number of regions and winemaking styles.

Riesling and Semillon are always of a very high standard, and in the best aged examples show the beautiful bottle bouquet and maturation characters they are famed for. The bottle fermented Sparkling styles with long tirage are magnificent examples of the style.

The Provenance Prize was this year judged by Iain Riggs, Ian MacKenzie, and the international guest judge Matthew Jukes. This group of wines highlights the ability of Australian wines from a particular provenance to age beautifully. This year for the first time we are awarding prizes to both the best Red and the best White wines, reflecting the number of outstanding entries in both categories.

It is clear that the very best Australian wines can exhibit *Terroir*, and/or winemaking house style, and to mature gracefully.

This was once again an exceptional Royal Adelaide Wine Show highlighting the very high standard of Australian wine quality.

I would like to thank my fellow judges, and in particular Deputy Chair Mike DeGaris, for their professionalism and cooperation to allow us to recognise and reward a truly outstanding range of medal winning wines.

Thanks also the stewards, committee and staff for their support and contribution to the smooth running of the show, and I look forward to coming back in 2017.

WINEMAKERS FEDERATION OF AUSTRALIA CODE OF PRACTICE FOR THE DISPLAY OF AWARDS

- Producers will not use medals, stickers, symbols or other devices on a bottle or soft pack in order to misleadingly convey the impression that the wine has received an award at an open, objective and independent competition.
- Awards received by an individual wine will bear the name of the show, the year of award and the class description and as a general rule shall only be applied to wines bearing the name under which the exhibit was entered; However, in recognition that a wine could be entered in a show before a wine has been finally allocated to a Brand, portability of an award so that it can stay with the wine which won it shall be permitted providing the wine show regulations allow.
- Awards received by a class of wines (eg "Winemaker of the Year", "Most Successful Exhibitor") shall not be used to suggest the individual wine has received any particular distinction. These awards will not be presented on the bottle in the form of a medal.
- The use of gold, black and gold discs, bronze discs and silver discs to promote anniversaries, events, sponsorship and the like, must not be used. Stickers and symbols or other devices should be sufficiently differentiated from show medals in terms of shape and/or colour to ensure not confusion; It is recognised that identification stickers attached to a bottle of wine not intended for resale, such as supplied to airlines, may fall outside the control of the producer.
- Compliance by a producer (including by subsidiaries or by associated companies) with this Code of Practice be a prerequisite for entry to any show of which the display of awards or medals are authorised by the AWBC for exports to Europe. Wine show regulations will need to be amended accordingly.
- The Code of Practice will enter into force for all wine produced from the 2005 vintage.

Royal Adelaide Wine Show

Many Royal Adelaide Wine Show trophies are now named after individuals who have made a significant contribution to the South Australian and/or Australian wine industry.

KARL SEPPALT AO TROPHY FOR BEST OTHER VARIETAL RED

Karl Seppelt, a third generation member of the Seppelt family was born in 1930 and educated at St Ignatius College in Sydney and Roseworthy Agricultural College. Karl Seppelt became Chief Viticulturist with B Seppelt & Sons Ltd in 1954-1972, General Manager from 1972-1979 and Managing Director from 1979-1985. Following the take-over of Seppelt's by South Australian Brewing Holdings Ltd, Karl and his family established their own winery at Mt Pleasant. Karl was instrumental in advancing the Australian wine industry beyond a mainly fortified wine producer, and was instrumental in pursuing regions suitable for premium table wine production. This led to the rise of Riesling in the 1970's and the establishment of Chardonnay in the 1980's and 1990's.

Karl joined the Royal Agricultural & Horticultural Society of SA's Wine Committee in 1973, he served as Vice Chairman from 1975-1982, was Chairman from 1983-2001 and the committee's representative on the Executive Council of the RA&HS from 1986-2000. Karl retired in November 2004 and was subsequently made an Honorary Councillor. Karl Seppelt was awarded the Order of Australia in January 2006.

MAX SCHUBERT AM TROPHY FOR MOST OUTSTANDING RED WINE IN SHOW

First awarded for Best Consumer Table Wine in Show at the Royal Adelaide Wine Show in 1997, the Max Schubert Trophy honours Max Schubert, Penfold Wines Chief Winemaker (1948 – 1975) whose philosophy of persistence and innovation pioneered new techniques in table wine production. Following a study tour in 1950, he created the now famous Grange. Schubert was determined to make an Australian red wine which would rival the French in excellence and longevity but with a truly Australian character. Early vintages of Penfold's Grange began winning awards in the early 1960's and since then Penfold's Grange has won countless awards and is recognised worldwide as a South Australian icon.

MONTGOMERY TROPHY FOR BEST RED WINE UNDER \$20

First awarded at the Royal Adelaide Wine Show in 1967 for Best Burgundy in Show by R Montgomery & Co. Richard Montgomery began business in Melbourne in 1854 as a supplier of corks and cordials. A branch was established in Adelaide around 1900, with the business expanding to supply the hotel industry. The acquisition of McDonald & Co in 1968 saw the Montgomery Merchandise Co become the largest hospitality supplier in Australia. In the late 1970's the company began trading as Macmont then Bidvest Hospitality Supplies and now Bunzl Outsourcing Services. Wolf Blass Wines under winemaker John Glaetzer was a multi-award winner of the Montgomery Trophy in 1978-1983 and again in 1986-1988 when the Montgomery Trophy was awarded for Best Red Wine in Show.

PROFESSOR AJ PERKINS TROPHY FOR BEST CABERNET SAUVIGNON IN SHOW

First awarded at the Royal Adelaide Wine Show in 1959 for the Most Outstanding Dry White Wine, this trophy perpetuates the memory of the late Professor AJ Perkins, Agricultural Scientist and Viticulturist. Prof. Perkins was SA's first Viticultural Expert, a Principal of Roseworthy Agricultural College (1904-1914) and subsequently Director of Agriculture, South Australia (1914-1936). The Professor AJ Perkins Trophy is the Royal Adelaide Wine Show's oldest named trophy.

GRAMP, HARDY, HILL SMITH PRIZE FOR OUTSTANDING WINE OF PROVENANCE

Awarded for the first time at the 2009 Royal Adelaide Wine Show, this trophy perpetuates the memory of three prominent South Australian winemakers, Thomas Mayfield Hardy of Hardy Wines, Sidney Hill Smith of the Yalumba Wine Company and Louis Hugo Gramp of Orlando Wines, who were killed in an aircraft accident in Victoria in 1938. In addition to Hardy, Hill Smith and Gramp, several other passengers were also part of a South Australian agricultural delegation. Hugo Gramp and Tom Hardy were members of the Society's Wine Committee at the time of the tragedy – Gramp (1927-1938) and Hardy (1926-1938).

2016 trophies

Royal Adelaide Wine Show

Many Royal Adelaide Wine Show trophies are now named after individuals who have made a significant contribution to the South Australian and/or Australian wine industry.

GEORGE FAIRBROTHER MEMORIAL TROPHY FOR MOST OUTSTANDING WHITE WINE IN SHOW

George was educated at Roseworthy Agricultural College from 1919-1921.

From Roseworthy he went to Walter Reynell & Sons Ltd before moving to NSW to work as a wine and spirit merchant. On his return to SA he was employed by Robert Bryce & Co Pty Ltd, Adelaide where he remained for the next twenty-four years.

George Fairbrother's wine judging started in 1946 at the Adelaide Wine Show. In the following thirty-one years he judged all over Australia, was widely regarded as a doyen of Australian wine judges and at the time was believed to be the only person who had acted as Chairman at every major Wine Show.

George Fairbrother's palate was legendary and he proved himself over many years as a fine wine judge and one of few that were capable of assessing the qualities of brandy. He was generous in sharing his knowledge and in giving friendly guidance to others in the industry. On retiring from Robert Bryce & Co he remained in the industry as a wine broker and cork merchant. He retired from judging in 1977, and died in April 1991.

T.W.C ANGOVE AM, MEMORIAL TROPHY FOR BEST BRANDY IN SHOW

This trophy salutes the memory of Thomas William Carlyon Angove, AM (1917 – 2010) who dedicated his life to the development of the wine industry, particularly in the Riverland. After completing a Degree in Oenology at Adelaide University, Roseworthy he followed the winemaking and distilling footsteps of his forbears. He was involved with Federal Viticultural Council, Australian Wine Research Institute, Association of Australian Agricultural Technologists, Australian Wine and Brandy Producers Association and from 1954 to 1995 served on the RA&HS wine committee. He was at the forefront of developments in broadacre vineyards with the establishment of the 480 Hectare Nanya vineyard in the Riverland between 1969 and 1980 and was awarded an Order of Australia in 1994 for service to the wine industry.

JOHN FORNACHON MEMORIAL TROPHY FOR BEST APERA, TOPAQUE OR MUSCAT

The John Fornachon Memorial Trophy was originally offered for the Best Dry Sherry in the Royal Adelaide Wine Show from 1973 to 1998. This was to honour the work of John Charles Macleod Fornachon (1905 – 1968), wine microbiologist, who in addition to his important research into diseases, spoilage of wines and fermentation was a prolific publisher, lecturer and wine show judge. John Fornachon was a judge at the Royal Adelaide Wine Show for two decades from 1948 and was Principal Judge 1948 – 1965. He served on the RA&HS wine committee from February 1967 until his death in August 1968.

DR RAY BECKWITH OAM MEMORIAL TROPHY FOR BEST TRADITIONAL AUSTRALIAN RED BLEND

Born in 1912 in Cowell, South Australia, Arthur Ray Beckwith (Ray) was responsible for some of the most fundamental innovations to Australia's wine making industry. He is believed to be the first person in Australia, if not the world, to discover the role of acidity levels in wine spoilage and to implement the use of pH metering - using precision instruments. He also was the first to use atomic absorption spectrophotometry for quality assurance in winemaking (circa 1962) and discovered that the addition of cultures of specific yeasts to the wine production process greatly improved wine quality. These practices are now standards in the Australian wine making industry. Beckwith spent most of his professional life working for Penfolds Wines in South Australia

(1935 - 1973) and was responsible for much of the company's success. He was also heavily involved in the Australian Wine Research Institute and other important wine committees and organisations. In July 2006 Ray Beckwith received Australia's top wine award, the McWilliam's Wines Maurice O'Shea Award, for recognition of his outstanding contribution to Australia's wine industry.

THE HURTLE AND NORMAN WALKER TROPHY FOR BEST SPARKLING WINE IN SHOW

Hurtle Frank Walker (1890-1975) was born at Magill, Adelaide. His lifetime association with the South Australian wine industry began at the age of 10 when he obtained exemption from Magill Public School to pick grapes. At 14 Walker left school to take a job with Auldana Winery. It was here that he mastered the fundamentals of making champagne under the direction of Leon Edmund Mazure and was placed in charge of the sparkling-wine cellars at age 21. Following World War One, he returned to Australia in 1919 and established Romalo Cellars with Mazure. In 1926 he was appointed manager of the company, a position he held until his retirement. During the 1920's, Wynns purchased Romalo Champagne Cellars and the name continued until the 1970's when it became known as Seaview Champagne Cellars. Hurtle's record of achievement in both the technical and business sides of winemaking was passed to his son Norman. Both men devoted their professional lives to the making of champagne using time-honoured traditional french methods. Under the Romalo label, Hurtle Walker carried on the *méthode champenoise* as did his son Norman later under the Seaview label. Today, Norman's son Nick Walker continues the sparkling tradition established by his grandfather in partnership with David O'Leary under the name O'Leary Walker.

Metals detection – beyond manganese and copper

You can't see metals in your glass of wine, but that doesn't mean they're not having an impact. Metals affect wine flavour and texture and can have a major influence on how long a wine will last in the bottle.

Understanding the metal levels in your juice and wine allows informed winemaking decisions on additions, processing and packaging. It can also help ensure a trouble-free wine export process.

AWRI Commercial Services is now using the latest ICP-MS technology to provide a rapid and affordable measurement of over 20 different metals at once. To send in your wines for some metals detection visit:

www.awri.com.au/commercial_services,

Approved Sentek Distributor

...introducing the new SENTEK - Ai1 solution ...

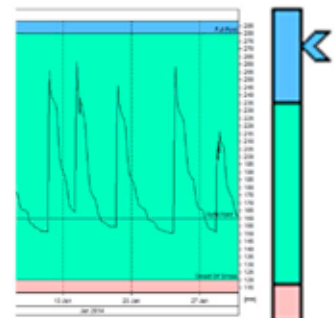

The New Ai1 (All in ONE) system removes almost all the hardware so common with conventional soil moisture monitoring systems - the cables, poles and solar panels are gone, the only visible hardware sits less than 30 cm above the ground.

Your information is available 24/7 from any browser compatible device via IrrimaxLIVE - this puts that important soil moisture data in your hand any time day or night.

IPV can provide a range of purchase options, IPV can also provide installation, soil coring, soil testing, servicing and repairs.

The IrrimaxLIVE web page - can give you the current status of your vineyard on a single screen using the easy to view fuel gauges and summed graphs view..

Find out how easy it is to integrate this technology in to your vineyard management today, contact IPV for further information.

A man with short brown hair, wearing a white button-down shirt, is shown in profile, holding a glass of red wine to his nose and smelling it. The background is dark with many out-of-focus, warm-toned lights, creating a bokeh effect. The lighting is soft, highlighting the man's face and the wine in the glass.

They say that there are two types of people – the ‘big picture people’ and the ‘detail people’

The big picture people tend to be creative, strategic, and visionary.

The detail people are conscientious, planful, and exacting.

At Tilbrook Rasheed we recognise both. In fact, we believe the big picture is the detail.

We have been advising the wine industry for over 20 years.
