WELCOME TO THE 2021 ROYAL ADELAIDE WINE SHOW

Four days of judging and one day of trophy deliberations has just finished at the Royal Adelaide Wine Show.

350 exhibitors entered 2,756 wines from all over Australia, only just short of our record.

For the second year we only invited South Australian based judges due to Covid restrictions, and what an enthusiastic fun-loving bunch they were.

25 trophies were awarded including Most Outstanding Red and Most Outstanding White Wines in Show, and of course the most prestigious red wine award in Australia, The Max Schubert Trophy. Also awarded was the Gramp, Hardy, Hill Smith Prize for National Wine of Provenance.

The high calibre wines, judges, panel chairs, stewards supervisors and volunteers under the guidance of Wine Committee Chair Greg Follett make the Wine Show the success it is.

I would like to especially thank Kym Milne M.W. for chairing the judges this year. Kym came back to us after a few years away, and has previously been a panel chair and deputy chair of judges.

I would like to acknowledge and thank the Society's Wine Committee, Society staff and the Oenology students from the University of Adelaide for their ongoing contribution to the Wine Show.

Thank you to all competition entrants and many congratulations to the 2021 award winners.

AFTER A SUCCESSFUL 2020 ROYAL ADELAIDE WINE SHOW RUN UNDER COVID CONDITIONS THERE WAS LITTLE DOUBT THAT ANOTHER SUCCESSFUL EVENT COULD BE STAGED IN 2021.

Once again, the Royal Agricultural and Horticultural Society of South Australia and all involved have delivered an outstanding competition.

Over thirty South Australian judges have spent the last four and a half days collectively tasting more than 600 wines a day to complete the 2,756 entries. Judges are split onto 6 panels, with 3 judges and 2 associate judges on each panel. With a streamlined electronic judging process the judges were able to deliberate with numerous call backs and robust discussion. Such intense discussion, scrutiny and deliberation ensured that the best wines shone through.

Each panel tastes around 110 wines per day, and from each class, the preferred wines are then returned under a randomised call back system to be re-judged by the panel, and then signed off by either the Chair or Deputy Chair. Hence any wine that is awarded a top medal has been assessed at least twice by several judges to reach the higher echelon of the awards.

Each judging panel supports and mentors two associate judges, which gives up and coming judges the opportunity to learn from seasoned professionals. Credit to the associates for providing thought provoking commentary around many of the wines. The associates on a number of occasions spoke strongly in support of a wine that after re-assessment was upgraded, a reflection of the extremely high standard of the associate judges this year.

My instruction to the judges responsible for selecting the medal winners in all classes was to aim, where quality allows, to award a diversity of style. Australia has an incredible array of climate locations and as such, produces a wealth of different styles. For example, there is no such thing as a standard Australian Shiraz style – it can vary from the lightmedium bodied aromatic styles of the cooler climates, to rich, plush, generous styles of the warmer climates. I was very pleased that the wines put forward by the judging panels certainly reflected an excellent quality and highly diverse styles of wine. I would urge everyone to not just look at the trophy winners but to taste through a range of the top awards to appreciate the fabulous winemaking stylistic variety we have in Australian wine.

Covering 6 states and over 30 regions, 192 wines from 108 different exhibitors received the highly sought-after gold medals, representing 6.9% of the total entries. Margaret River just edged out the Barossa Valley as the most successful region with 29 gold medalling wines. The coveted trophies were all awarded with closely contested results.

Coming as no surprise, Shiraz was once again the most represented variety in the competition. Almost half of the over 600 entries came from the 2019 vintage class. Across the variety, a total of 46 gold medals were awarded, with 21 going to exhibits in the 2019 vintage.

With a range of styles, Cabernet Sauvignon was the next most represented variety. With almost 300 entries judged and 20 golds awarded.

The most represented white variety and third most represented overall was once again Chardonnay, with over 200 entries and judges awarding 12 gold medals. Australian Chardonnay has come a long way in recent years and there were some stunning, flavoursome yet elegant wines that will have great longevity.

The 2021 Riesling class quality was outstanding with many judges commenting on the number of very high-quality wines that were presented to them.

I would like to acknowledge the Wine Show committee and all of the back of house volunteers that make this show possible. The logistics of the show in getting such a vast number of wines accurately poured, placed on the judging tables and cleared, plus recalls, is truly amazing. All of which ran like a well-oiled machine.

I commend the results of the 2021 Royal Adelaide Wine Show to you.

MANY ROYAL ADELAIDE WINE SHOW TROPHIES ARE
NOW NAMED AFTER INDIVIDUALS WHO HAVE MADE A
SIGNIFICANT CONTRIBUTION TO THE SOUTH AUSTRALIAN
AND/OR AUSTRALIAN WINE INDUSTRY

GRAMP, HARDY, HILL SMITH PRIZE FOR NATIONAL WINE OF PROVENANCE Awarded for the first time at the 2009 Royal Adelaide Wine Show, this trophy perpetuates the memory of three prominent South Australian winemakers, Thomas Mayfield Hardy of Hardy Wines, Sidney Hill Smith of the Yalumba Wine Company and Louis Hugo Gramp of Orlando Wines, who were killed in an aircraft accident in Victoria in 1938. In addition to Hardy, Hill Smith and Gramp, several other passengers were also part of a South Australian agricultural delegation. Hugo Gramp and Tom Hardy were members of the Society's Wine Committee at the time of the tragedy – Gramp (1927-1938) and Hardy (1926-1938).

MAX SCHUBERT AM TROPHY FOR MOST OUTSTANDING RED WINE IN SHOW First awarded for Best Consumer Table Wine in Show at the Royal Adelaide Wine Show in 1997, the Max Schubert Trophy honours Max Schubert, Penfold Wines Chief Winemaker (1948 – 1975) whose philosophy of persistence and innovation pioneered new techniques in table wine production. Following a study tour in 1950, he created the now famous Grange. Schubert was determined to make an Australian red wine which would rival the French in excellence and longevity but with a truly Australian character. Early vintages of Penfold's Grange began winning awards in the early 1960's and since then Penfold's Grange has won countless awards and is recognised worldwide as a South Australian icon.

GEORGE FAIRBROTHER MEMORIAL TROPHY FOR MOST OUTSTANDING WHITE WINE IN SHOW George was educated at Roseworthy Agricultural College from 1919-1921.

From Roseworthy he went to Walter Reynell & Sons Ltd before moving to NSW to work as a wine and spirit merchant. On his return to SA he was employed by Robert Bryce & Co Pty Ltd, Adelaide where he remained for the next twenty-four years.

George Fairbrother's wine judging started in 1946 at the Adelaide Wine Show. In the following thirty-one years he judged all over Australia, was widely regarded as a doyen of Australian wine judges and at the time was believed to been the only person who had acted as Chairman at every major Wine Show.

George Fairbrother's palate was legendary and he proved himself over many years as a fine wine judge and one of few that were capable of assessing the qualities of brandy. He was generous in sharing his knowledge and in giving friendly guidance to others in the industry. On retiring from Robert Bryce & Co he remained in the industry as a wine broker and cork merchant. He retired from judging in 1977, and died in April 1991.

THE GOVERNOR'S
TROPHY FOR BEST
SOUTH AUSTRALIAN WHITE
WINE IN SHOW AND BEST
SOUTH AUSTRALIAN
RED WINE IN SHOW

Introduced in 2019, The Governor's Trophies for Best South Australian White Wine in Show and Best South Australian Red Wine in Show recognise the excellence of South Australia's wine makers and the importance of the South Australian wine industry to the history and economy of the State.

The winning wines will be served at Government House to international, interstate and local visitors in the following 12 months.

THE HURTLE AND NORMAN WALKER TROPHY FOR BEST SPARKLING WINE IN SHOW

Hurtle Frank Walker (1890-1975) was born at Magill, Adelaide. His lifetime association with the South Australian wine industry began at the age of 10 when he obtained exemption from Magill Public School to pick grapes. At 14, Walker left school to take a job with Auldana Winery, It was here that he mastered the fundamentals of making champagne under the direction of Leon Edmund Mazure and was placed in charge of the sparkling-wine cellars at age 21. Following World War One, he returned to Australia in 1919 and established Romalo Cellars with Mazure. In 1926 he was appointed manager of the company, a position he held until his retirement. During the 1920's, Wynns purchased Romalo Champagne Cellars and the name continued until the 1970's when it became known as Seaview Champagne Cellars. Hurtle's record of achievement in both the technical and business sides of winemaking was passed to his son Norman. Both men devoted their professional lives to the making of champagne using time-honoured traditional french methods. Under the Romalo label, Hurtle Walker carried on the méthode champenoise as did his son Norman later under the Seaview label. Today, Norman's son Nick Walker continues the sparkling tradition established by his grandfather in partnership with David O'Leary under the name O'Leary Walker.

PROFESSOR AJ PERKINS TROPHY FOR BEST CABERNET SAUVIGNON IN SHOW

First awarded at the Royal Adelaide Wine Show in 1959 for the Most Outstanding Dry White Wine, this trophy perpetuates the memory of the late Professor AJ Perkins, Agricultural Scientist and Viticulturist. Prof. Perkins was SA's first Viticultural Expert, a Principal of Roseworthy Agricultural College (1904-1914) and subsequently Director of Agriculture, South Australia (1914-1936). The Professor AJ Perkins Trophy is the Royal Adelaide Wine Show's oldest named trophy.

KARL SEPPELT AO TROPHY FOR BEST OTHER VARIETAL RED IN SHOW

Karl Seppelt, a third generation member of the Seppelt family was born in 1930 and educated at St Ignatius College in Sydney and Roseworthy Agricultural College. Karl Seppelt became Chief Viticulturist with B Seppelt & Sons Ltd in 1954 -1972, General Manager from 1972 -1979 and Managing Director from 1979 - 1985. Following the take-over of Seppelt's by South Australian Brewing Holdings Ltd, Karl and his family established their own winery at Mt Pleasant. Karl was instrumental in advancing the Australian wine industry beyond a mainly fortified wine producer, and was instrumental in pursuing regions suitable for premium table wine production. This led to the rise of Riesling in the 1970's and the establishment of Chardonnay in the 1980's and 1990's. Karl joined the Royal Agricultural & Horticultural Society of SA's Wine Committee in 1973, he served as Vice Chairman from 1975-1982, was Chairman from 1983-2001 and the committee's representative on the Executive Council of the RA&HS from 1986-2000. Karl retired in November 2004 and was subsequently made an Honorary Councillor. Karl Seppelt was awarded the Order of Australia in January 2006.

DR RAY BECKWITH OAM MEMORIAL TROPHY FOR BEST TRADITIONAL AUSTRALIAN RED BLEND IN SHOW

Born in 1912 in Cowell, South Australia, Arthur Ray Beckwith (Ray) was responsible for some of the most fundamental innovations to Australia's wine making industry. He is believed to be the first person in Australia, if not the world, to discover the role of acidity levels in wine spoilage and to implement the use of pH metering - using precision instruments. He also was the first to use atomic absorption spectrophotometry for quality assurance in winemaking (circa 1962) and discovered that the addition of cultures of specific yeasts to the wine production process greatly improved wine quality. These practices are now standards in the Australian wine making industry. Beckwith spent most of his professional life working for Penfolds Wines in South Australia (1935 - 1973) and was responsible for much of the company's success. He was also heavily involved in the Australian Wine Research Institute and other important wine committees and organisations. In July 2006 Ray Beckwith received Australia's top wine award, the McWilliam's Wines Maurice O'Shea Award, for recognition of his outstanding contribution to Australia's wine industry.

JOHN FORNACHON MEMORIAL TROPHY FOR BEST APERA, TOPAQUE OR MUSCAT IN SHOW

The John Fornachon Memorial Trophy was originally offered for the Best Dry Sherry in the Royal Adelaide Wine Show from 1973 to 1998. This was to honour the work of John Charles Macleod Fornachon (1905 – 1968), wine microbiologist, who in addition to his important research into diseases, spoilage of wines and fermentation was a prolific publisher, lecturer and wine show judge. John Fornachon was a judge at the Royal Adelaide Wine Show for two decades from 1948 and was Principal Judge 1948 – 1965. He served on the RA&HS wine committee from February 1967 until his death in August 1968.

SECTION 4 - CLASS 68 & 69

CLASS 68A / RED WINE, CURRENT VINTAGE.
CLASS 68B / RED WINE, BETWEEN 5 & 9 YEARS OLD.
CLASS 68C / RED WINE. 10 YEARS OR OLDER.

CLASS 69A / WHITE WINE, CURRENT VINTAGE. CLASS 69B / WHITE WINE, BETWEEN 5-9 YEARS OLDER. CLASS 69C / WHITE WINE, 10 YEARS OR OLDER.

Introduced in 2009 to recognise wines that reflect their region, lineage and longevity, the prize is named in honour of three iconic Australian wine industry pioneers – Hugo Gramp, Tom Hardy and Sidney Hill Smith – who perished in October, 1938,in an aircraft accident. The trio were travelling to Canberra for a wine industry conference, when their plane (the Kyeema) crashed into Mount Dandenong, killing all 18 passengers and crew.

The Provenance Prize was judged by 3 of the best; Louisa Rose, Tony Love and Phil Reedman. The wines needed to demonstrate superior quality as a group, as well as consistency of style and expression.

WHITE WINE

JUDGES COMMENTS - Two top 'silver' wines assessed as fresh, pure and complex but lacking the 'X' factor for gold. Several wines broader and warmer but encouraged by others for seeing the 21's next year.

JUDGES COMMENTS - Some delicious wines at the pointy end, difficult to split. A very good vintage for chardonnay despite heat in some areas.

CLASS 12 / SAUVIGNON BLANC, 2020 VINTAGE AND OLDER.

JUDGES COMMENTS - As a group these wines had more weight and interest than we were expecting. Some thoughtful styles with impressive intensity were awarded. Sugar that clipped the palate or sweaty sulphide got pinged.

CLASS 13 / PINOT GRIS OR PINOT GRIGIO, 2021 VINTAGE.

JUDGES COMMENTS - From textured skins, fermented complex wines to simple quite flavourless versions. Such a breadth of diversity of approach. Many rock-solid wines to please the drinkers of this variety that embraced aromatics and good use of phenolics and extract. A few were pretty bland or volatile or reduced, but overall, the quality was on the whole pretty good.

JUDGES COMMENTS - Top vermentino was outstanding, displaying freshness, bright fennel, sea breeze with great integrity and length. The other gold medal is left field, textural and a powerhouse of flavour. Overall, an exciting class to judge. It's fantastic to see how far this variety has come over the last few years.

CLASS 20 / OTHER BLENDED WHITE WINE, ANY VINTAGE, NOT INCLUDED IN CLASS 19.

JUDGES COMMENTS - The only gold was well made, with excellent integration of varietal flowers and a good example of a Rhone style white blend. Many other wines lacked balance and excitement.

CLASS 23 / ROSÉ, ANY VARIETY, VINTAGE OR STYLE.

DOREAU

Australia

Offering
Excellence

Present in Australia since 2012, Doreau Cooperage created a branch in order to be as close to winemakers as possible, and offer the best service. We started with barrels and oak alternatives and slowly added products, always carefully chosen to match the high quality that Doreau represents.

Today our range includes:

- Doreau and Vernou oak barrels
- Sense Oak alternatives
- Big formats from Doreau l'Atelier & VBS Schon
- Oenotan oak tannins
- Fermentis direct pitch yeasts and derivatives

Our history is written every day, at the heart of excellence.

They say that there are two types of people – the 'big picture people' and the 'detail people'

The big picture people tend to be creative, strategic, and visionary. The detail people are conscientious, planful, and exacting.

Images courtesy of Barossa Grape & Wine Association (BGWA).

At Tilbrook Rasheed we recognise both. In fact, we believe the big picture is the detail.

We have been advising the wine industry for over 25 years. Speak to our wine industry specialists on 8378 9500.

JUDGES COMMENTS - A challenge to find the highlights, the top wine is an elegant fresh refined style. The silver medal's each providing some freshness and enjoyment. Too many wines reductive or extractive, lacking freshness and refinement.

CLASS 29 / SHIRAZ, 2020 VINTAGE AND YOUNGER.

JUDGES COMMENTS - A diverse range of styles judged across three panels. Some very good vibrant, juicy cool climate styles with good use of whole bunch and some good more traditional styles, some of which need time to soften. A couple of wines exhibited low levels of smoke taint.

Approved Sentek Distributor

IPV has been installing and maintaining the Sentek product for 14 years and our service area covers McLaren Vale, Langhorne's Creek, Barossa Valley and the Clare Valley.

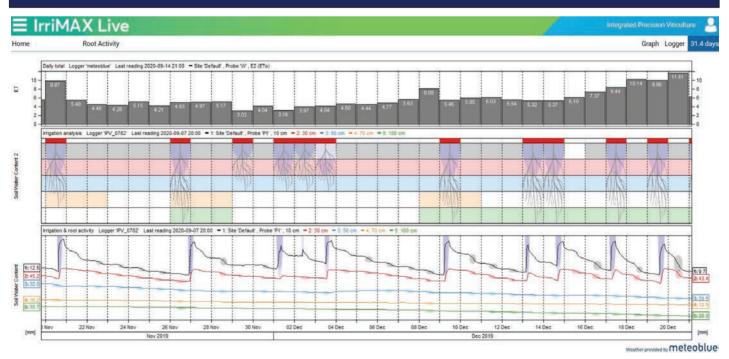

A key directive of IPV's strategy has been to keep hardware to a minimum in the field to reduce damage and improve the efficiency of day to day vineyard operations.

Sentek has now taken the way you see your data to the next level, by clearly showing where and when your vines are extracting water.

Add to this, the grower has the option to take advantage of 7-day forecasts which make planning for future weather event much more predictable.

Now growers can plan when and how much water they need and check how effective the application was.

...now you can look at your vine Root Activity do an Irrigation Analysis and plan your next 7 days irrigation using a 7-day forecast of Evapotranspiration and other weather features...

JUDGES COMMENTS - A few years ago, the 3yo pinot class may not have given so many strong results. The golds are different styles, with lots of thoughtful winemaking influence, and the top one with the most purity.
