

NATIONAL SCHOOL WINE COMPETITION

COMPETITION SCHEDULE

ABOUT THE NATIONAL SCHOOL WINE COMPETITION

The RA&HS aims to establish this competition and workshop as an annual event to lift the profile of those schools that make or are involved in the production of wine, enable the school's wines to be judged by a professional judging panel, promote the vocations of viticulture and wine making and be an educational experience for the students involved.

The establishment of the National School Wine Competition as a section of the Royal Adelaide Wine Show aims to raise the profile of the wine industry within schools across South Australia and Australia.

The judging of wine and wine labels by a Royal Adelaide Wine Show panel will be an excellent education experience for the schools and enable them to receive feedback on the quality of their wines and how they might be evolved.
